

October 6, 2022

Awardees of Best Presentation Award at ATPC2022

OS2-4-03 5170

Xiaohan Wang

Tokyo Institute of Technology

Thermophysical characterization of water adsorption to covalent organic framework for thermal energy storage

OS10-1-02 5198

Daisuke Sato

Nagaoka University of Technology

Effect of optical-luminescent properties on solar collection performance of a hybrid concentrator photovoltaic module

OS14-3-04 5135

Tobias Klein

Institute of Advanced Optical Technologies - Thermophysical Properties

Viscosity and Interfacial Tension of Long Linear or Branched Alkanes, Alcohols, and their Mixtures with Dissolved Gases

The Award Certificate will be posted later. Congratulations!

Chair of ATPC2022

Tohoku University
